Due to the rise of new cases of the Covid-19 Delta variant at city, county and state levels, we'd like to remind our Members how we can work together to keep the pool open for the remainder of the season.

Member Expectations: What is required from our members and their families.

- If you feel sick, please stay home.
- If you or anyone in your close/family household has tested Positive for Covid-19 or its variants, please stay home.
- Don't deliver sick children to the pool. They should stay home.
- If you are 60+ yrs, if you have pre-existing physical conditions, or if your immune system is compromised, you are safer at home.
- Stay at least 6 feet away from other people, in and out of the water.
- Wash your hands frequently, or use the hand sanitizer located throughout the clubhouse and in the restrooms. Free masks are available at the front desk.
- Don't assume surfaces around the pool are sanitized. Take a moment to wash or sanitize surfaces before and after you touch or use anything.
- Read and follow the guidelines, explain them to your family, especially to children.
- Stay safe and healthy, have fun and enjoy the water.

IMPORTANT: If there are sudden surges of new cases or deaths, the pool will comply with State, County or Local directives. If we're told to reduce activity or if we're ordered to close, **We will comply immediately – possibly without notice to you.**
